BOARD PRESIDENT'S REPORT

Mr. Juby thanked everyone for coming to the meeting and wished everyone a Happy Easter. In addition, he restated the policy on public participation at a Board Meeting.

COMMITTEE REPORTS:

Cuyahoga Valley Career Center – Christine A. Kitson

Student Activities - June Geraci

(Report was given by Mr. Juby in the absence of Mrs. Geraci)

The Girls' Basketball Team finished the season as Co-Champions of the NOC Lake Division with a 9-1 record in the division. Congrats go out to Head Coach Eddie Burge and his assistants Kathy Mayfield and Jeff Green.

The Wrestling Team finished 2nd in the NOC Lake Division and has 5 District Qualifiers, two of which (Greg Sloan & Dave Celinski) were Sectional Champions. District wrestling begins at 5pm this Friday at Mentor High School.

The Boys' Basketball Team begins Sectional play next Saturday March 1st at home at 4pm versus the winner of the John Adams/Madison game.

Spring sports season is right around the corner with the baseball and softball teams beginning practices next week.

Legislative Liaison – Gary Wolske

City Liaison – Robert A. Dobies Sr.

Good evening

T-Ball signups are underway and will continue through Monday, March 31st. Extended office hours to accommodate the last two weeks are available.

Softball Signups are also underway and will continue through Saturday April 26th. This year the Rec. has partnered with the City of Bedford to provide more competition for the programs.

If you are a Hockey fan, this Saturday, March 22 @ 7:00 the Hockey Boosters are conducting a fundraiser by having an Alumni game between our Garfield Heights Bulldogs and the Trinity Trojans. Come out for a night of fun and meet the former players and families.

The city will again offer the "Safety Town Program." This will be for children 5 & 6 years of age. There will be 4 sessions offered, the AM session is 9:30 AM-11:30 AM and the PM session is 12:00 PM -2:00 PM. The first two sessions will be offered June 9- June 13 and the second two will be offered June 16- June 20. In person signups will take place at the Rec. May 19th through June 2nd. This is for Garfield residents and those that attend schools within Garfield Hts. Non-residents may make application and will be put on a waiting list. All classes are held at Garfield Heights Middle School conducted by our SRO Officer James Seawright and our High School Art teacher Ms. Emily Garret. Information can be picked up at the Kindergarten registration event tomorrow or Thursday at the High School or by calling the Recreation Center.

I would like to remind all as we get closer that the Rec. Office will close again this year May 1st through May 18th, which is a slow period so we may prep for the pool season.

I'd like to share with all, that the Students from Elmwood Elementary School, K -5th grades, their teachers and parent volunteers, that because of our students earnest efforts In our PAWS Program (Prompt, Prepared, Accepts Responsibility, Works Hard and Shows Respect) they enjoyed a day at the ice rink on Thursday 3/11, grades 4 & 5 and Friday 3/12 K – 3rd grades The various classes came and filled our rink with such enthusiasm and excitement. In addition to rewarding the student's efforts, I believe in part, what made this experience unique Is many of our students were possibly exposed to our ice rink for first time and a first time attempting to skate. Their lives have been broadened by a simple idea of a fun day at the Rec. and credit goes to Mrs. Abrams and Ms. Sumen for coordinating; our teachers, parent volunteers and Elmwood PTA.

I, along with our staff enjoyed their company and congratulate all our students for their hard work in achieving their successes. I can say their participation represented Elmwood and our district in what our students are given to embody, "we are the best".

The recreation center was also a benefactor of our Elmwood PTA. A GREAT BIG Thank you goes out to Ms. Irving, President and our current Board Members for their generosity. It goes without saying, their commitment to the children of our School District benefits from their determination, hard work and on going efforts. It provides our children with opportunities to broaden their educational skills while providing avenues so our children may build and develop their individual character traits so they may be successful as they progress in life. Thank you again.

Policy Liaison – Christine A. Kitson & Gary Wolske

PRESENTATION

Mr. Sluka gave the Board an update on the William Foster project. He stated that the project is basically completed.

Shari Bailey – Technology Update

Shari Bailey, Director of Technology, provided the Board of Education with an overview of projects that the technology department has been working on. Since, the last board presentation, the department has completed over 5,875 schooldude tickets. One of the largest projects this summer and Fall was the K-5 transition. In the area of technology, we wanted to have equal access to the same resources in each school. The technology staff setup the following equipment:

- 5 ipads per Kindergarten and Preschool Classrooms
- 7 Acer Netbooks – Grades 1-3
- 7 Chromebooks – Grades 4 and 5
- New Computer Labs
- Addition of Classroom Sound at William Foster
- William Foster PTA – Chromebook Mobile Lab

In addition to this equipment, Windows XP computers will no longer be supported as of April 2014. We replaced computers at the middle school and high school to provide newer technology for the students and teachers. Another large project was the creation of Google Apps for Education for the District. All students and staff can log into Google and access their own Drive Account to save their files. The new K-5 technology teachers are instructing all of their students how to log into Google Apps and how to access Google Drive. All that is needed is access to the internet to access their work. Shari also discussed the pilots for the online PARCC and ODE testing. Practice online testing will begin after spring break.

Kevin Hartman – Football Uniform Request

Mr. Hartman presented 4 football uniform quotes to the BOE for their review and explained the need for new uniforms either this Fall or the Fall of 2015. He further talked about the process of getting the quotes from the three different vendors (Nike, Russell, Adidas) and what additional perks came with each quote. He asked the Board if they would be willing to do a 3-way split for this purchase between the Board, the Athletic Department and the Athletic Booster Club. After some questions and comments from various Board Members, Mr. Hartman agreed that this request will be included in next year's budget.

RECOGNITIONS/COMMENDATIONS

SUPERINTENDENT'S REPORT

For this report, I want to come back and shed a bit more light on the topic of technology in our district. During the last two years, the Garfield Heights City Schools has made a considerable investment of district dollars to greatly enhance the technology, as well as the access to technology for elementary students. This investment is the result of the district's curriculum team seeing the need to integrate technology into everyday academic routines for the students. The process to this point is preparing our students for the future, with the district's youngest Bulldogs engaging in advanced levels of digital technology to make them more academically prepared.

The idea of the steady integration of more technology-based opportunities for students helps to fulfill the vision of the district, which is to prepare our students with 21st Century Skills. This, along with the fact that the state intends to procure tests online, and the need to make the use of technology an everyday skill is apparent. Adding skills such as keyboarding, proper "Netiquette," or online etiquette and exposure to various creative programs "creates an interesting approach to learning, which helps them become better students," according to district curriculum director, Dr. Randy Continenza.

The district's elementary technology team has done a tremendous job of incorporating this curriculum into students' everyday school routines. The curriculum component and the technology component begin their natural overlap at each of the three elementary buildings, William Foster, Elmwood and Maple Leaf, which each have their own exclusive computer labs. Working hand-in-hand with Dr. Continenza is GH director of technology, Shari Bailey. Each elementary computer lab has at least two dozen desktops for student use. In addition, every kindergarten and pre-K classroom has been equipped with 5 iPads, and the 4th and 5th grade classrooms in the district feature 7 Chrome books (grades 1-3 have 7 PC netbooks in each classroom). This supplements the installation of projectors and SMART boards - we do not use SMART products in the district except for one classroom at the high school. We use interactive white boards - mostly elnstruction - in many of the elementary classrooms already. In all, this technology team is blending the value of a solid curriculum with today's latest trends in digital learning.

Kindergarten Update

And finally the GHCS has put together a "first-class" effort to promote kindergarten registration this year. A "Little Bulldog" kindergarten registration event is being held on Wednesday, March 19 and Thursday, March 20, whereby parents of students who are going into kindergarten next year can pick up their applications, learn about our free, summertime pre-Kindergarten program called Kinderbound, meet our kindergarten teachers and principals and have fun. Hotdogs and drinks will be served. Good job to the team that has put this event together... Kindergarten registration will take place from Monday, April 14 through Thursday, April 17th and again on Monday, April 28 through Thursday, May 1st. Please take advantage of this opportunity for your students... Signing up for kindergarten now will ensure the proper development of your student at an early age. Thank you for your continued support of the Garfield Heights City Schools, and as always... GO LITTLE BULLDOGS!
