PRESENTATION

Brooke Pillets, Special Education Director gave an update of the special education department and included current statistics for Garfield Heights Special Education Department. In addition, Ms. Pillets acknowledged that the district received a rare five star rating for its preschool program from a review from the Ohio Department of Education.

RECOGNITIONS/COMMENDATIONS

Ms. Pillets recognized Kathy Russo, Volunteer and Megan Stroh-Rutkowski, school psychologist who were both instrumental in obtaining the five star rating for preschool. Ms. Pillets then presented them with a certificate of appreciation.

Mr. Olszewski acknowledged Mr. Pernell Jones, Cuyahoga County Councilperson and Mr. Bob Ivory, Program Consultant, from the Closing the Achievement Gap program.

Mrs. Chamberlin introduced Mr. Michael Fording to the Board, who was in attendance. Mr. Fording is on the agenda to be approved as High School Assistant Principal.

SUPERINTENDENT'S REPORT

Thank you Mr. President. I will keep my remarks brief tonight by simply summarizing that the final days of the 2013-2014 school year are now completed, and those of you who were in attendance on the evening of June 5, 2014 for Commencement know how truly wonderful of an event it was. I want to congratulate all of the students on another fine year of hard work, and in particular, the graduating Class of 2014. With more than \$3.8 Million in scholarships earned, fifteen students earning a 4.0 Grade Point Average or higher and a number of students attending some of the best colleges and universities in the area, this class certainly demonstrated what it means to be a Bulldog. Best of luck to our students in their future endeavors.

Finally, please keep in mind that you can register for school throughout the summer, and not simply wait until August. Please call the Board Office and contact our new registrar, Betty Hegedus, for more information.

Have a safe and enjoyable summer, and we will see the entire staff and students in August.

Thank you.

REMARKS FROM THE PUBLIC REGARDING AGENDA ITEMS

While not specifically on the agenda, Mr. Pernell Jones asked if he could address the Board at this time. Mr. Jones briefed the Board on his pilot program Closing the Achievement Gap and how it got started. This is a two year program established from his children and family first council initiatives. This program would work towards strengthening family and relationships. Mr. Jones reached out to Bob Ivory to consult on this program. Closing the achievement gap means closing the gap between what they are doing in school versus their potential.

Resolution No. 2014-006

**A RESOLUTION DECLARING IT NECESSARY TO SUBMIT THE
QUESTION OF LEVYING AN ADDITIONAL TAX IN EXCESS OF THE
TEN-MILL LIMITATION TO THE ELECTORS OF THE GARFIELD HEIGHTS CITY
SCHOOL DISTRICT PURSUANT TO SECTION 5705.21 OF THE REVISED CODE**

BE IT RESOLVED by the Board of Education of the Garfield Heights City School District, County of Cuyahoga, State of Ohio, that:

Section 1. This Board finds, determines and declares that the amount of taxes which may be raised within the ten-mill limitation by levies on the current tax duplicate will be insufficient to provide an adequate amount for the necessary requirements of the School District, and that it is necessary to levy a tax in excess of such limitation for the purpose of general permanent improvements in the amount of 1.00 mill for a continuing period of time, and that the question of such additional tax levy shall be submitted to the electors of the School District on November 4, 2014.

Section 2. Pursuant to Section 5705.21 of the Revised Code, there shall be submitted to the electors of the School District at an election to be held on November 4, 2014, the question of levying an additional tax, in excess of the ten-mill limitation at the rate of 1.00 mill for each one dollar of valuation, which amounts to 10 cents for each one hundred dollars of valuation, for a continuing period of time (commencing with a levy on the tax list and duplicate for the year 2014 to be first distributed to the Board in calendar year 2015) for the purpose of general permanent improvements.

Section 3. A copy of this Resolution shall be immediately certified to the County Fiscal Officer of the County of Cuyahoga for the calculation by the County Fiscal Officer of the total current tax valuation of the District and the dollar amount of revenue that would generated by the 1.00 mill levy.

Section 4. It is hereby found and determined that all formal actions of this Board concerning and relating to the adoption of this Resolution were adopted in an open meeting of this Board, and that all deliberations of this Board and of any of its committees that resulted in such formal actions were in meetings open to the public, in compliance with the law.

Section 5. This Resolution shall be in full force and effect from and immediately upon its adoption.

TELEPHONE SERVICES

Wireless Telephone Expense

Staff members approved by the Superintendent/designee whose primary assignment regularly requires travel or the need to communicate to other buildings for emergency purposes are eligible for a wireless telephone or other communication device allowance.

The District does not endorse any specific wireless telephone carrier, equipment or calling plan. The administration may periodically review market rates to determine the amount of wireless telephone allowance. The amount of allowance is established by the administration and approved by the Board.

Eligible staff members obtain their own wireless telephone, carry it with them while working, use it to conduct necessary business while working and submit a complete copy of their wireless telephone bill monthly with an expense report.

Amount of Allowance Rate

The amount of wireless telephone allowance paid to participating staff members shall not exceed \$50 per monthly billing cycle **and shall not exceed \$25.00 for part time staff members.** Based on market research and history of usage, this amount is deemed sufficient to pay for monthly access fees, business-related calls and taxes related to those charges. The District shall not reimburse any additional expenses for wireless telephone services, equipment or telephone calls.

Safety and Security

Loss or theft of equipment must be reported to the vendor service provider immediately to minimize liability for airtime and toll call charges.

Conversations over cellphones are easily monitored, and may be monitored by outside parties. Confidential and sensitive information discussion over cellphones shall not be conducted.

Telephone use while operating a vehicle is prohibited.
