RECOGNITIONS/COMMENDATIONS

Ms. Hager is happy to announce that 8 students completed their course and testing requirements over the summer and became graduates. Students were invited to the Board meeting to celebrate their accomplishment and be recognized as graduates.

PRESENTATION

Mr. Hanke gave a report on the Department of Human Resources. He recounted the staffing efforts that took place during the summer. Also, Mr. Hanke went over the exit interviews that were conducted for employees that are leaving the district. Mr. Hanke also introduced teachers and administrators that are new to the district or changing roles within the district.

Maureen Pisanick of Pisanick Partners gave the Board an overview of the services and benefits her company could provide the district to enhance the cafeteria operations and food choices being offered to students of the district.

Board requests a 6th month update from Pisanick on the progress being made.

SUPERINTENDENT'S REPORT

Thank you, Mr. President. On behalf of the entire administration, I want to report to the Board of Education, that the first week of school began last week on Tuesday, August 15, 2017. A profound sense of excitement filled the air, as I visited each building throughout the campus. I thank everyone involved, from teachers and the entire staff... to students... and families of the Garfield Heights City Schools, who made the first week of the 2017-2018 School Year, successful. If you are new to the district, we are confident that you will see that this school is a big family; one which is devoted to high standards of learning and which educates our children with a sense of pride. Bulldog pride.

Just prior to the start of the school year for students, our welcome back meeting took place on Friday, August 11, 2017, and I want to congratulate Amy Tomon, our high school intervention specialist and dedicated leader of Students of Service, who was this year's recipient of the Martin H. Miller Award. In a speech delivered by one of her colleagues, Ms. Tomon was described as having a passion for the "underserved," helping to promote and host events such as the dance marathon, Winterfest Dance, the K-3 Carnival and the empty bowls project, just to name a few. Congratulations Ms. Tomon, on being this year's winner, once again.

I also would like to report to the Board of Education that I recently participated in an interview with the leadership from Jennings Home, who asked me to be part of a video which outlines important partners that their organization has with the community-at-large. They selected the Garfield Heights City Schools to be part of this video, to show their appreciation for the intergenerational programming that we mutually created with Jennings, last year. Students in our district participated in activities with Jennings' senior citizens such as the Veteran's Day program, our forensics class attending a speaker about Crime in Cleveland in the 1920s and 1930s, a civil rights and race relationship speaker in which our Students of Promise participated, and even theater training between our elementary students and the senior citizens. All these things took place last year alone, and our relationship with Jennings, and the City's senior organization, only intends to grow this year.

Finally, the Garfield Heights City Schools will be hosting Family Fun Night on Friday, September 15, 2017 from 5- 7 p.m. in the parking lot of the high school, just before the home varsity football game that night. For a cost of \$10 for up to five members of your family, you can enjoy bounce houses, food and soft drinks and other fun activities... and show off your Bulldog Pride! Tickets will go on sale at the buildings on August 30, 2017 in the main office. Please plan to attend.

To everyone in the Garfield Heights City Schools, let's make the 2017-2018 School Year the best one yet, and as always...

GO BULLDOGS!

REMARKS FROM THE PUBLIC REGARDING MISCELLANEOUS SCHOOL ITEMS

Ms. Drabney and Ms. Grygrl addressed the about the lack of adequate time for the children to eat lunch at the Middle School. Both have children at the Middle School for last three years and have not had time to eat their lunches. They also have time to get to class on time or go to their lockers between classes and they are stressed out over this. They are late to class after lunch because they are always at the last table to be dismissed. As parents, they would like to see solutions put in place to resolve this.

SETTLEMENT AND RELEASE AGREEMENT

Brian Kenderes ("Kenderes") and the **Garfield City School District Board of Education** ("School Board") (collectively, the "Parties") enter into this Settlement and Release Agreement ("Agreement").

WHEREAS, Kenderes asserted claims against the School Board in a case styled, *Brian Kenderes v. Garfield Heights School Board*, Garfield Heights Municipal Court Case No. CVI 1701881 (the "Lawsuit"), which claims the School Board contested; and,

WHEREAS, the Parties desire to resolve any and all disputes between them, without further time and expense.

NOW, THEREFORE, the Parties agree as follows:

1. Payments to Kenderes. In consideration for the promises made in this Agreement, the School Board agrees to pay Kenderes the total gross sum of Three Thousand Five Hundred Ninety-Nine Dollars (\$3,599.00), less statutorily required deductions for federal, state, and local income tax withholding and social security/medicare taxes, in full satisfaction of Kenderes's claims for back pay and other economic injuries (the "Settlement Payment"). The School Board will issue an IRS Form W-2 to Kenderes as required by law.

The School Board will send the Settlement Payment to Kenderes's address, 4882 East 97th Street, Garfield Heights, Ohio 44125, within fifteen (15) calendar days after the School Board receives proof of filing the dismissal with prejudice contemplated in Section 4 of this Agreement and the approval of the School Board contemplated in Section 10 of this Agreement.

Kenderes will be solely responsible for paying any amounts due to any governmental taxing authority as a result of the Settlement Payment. Kenderes agrees to indemnify the School Board in the event that any governmental taxing authority asserts against the School Board any claim for unpaid taxes, failure to withhold taxes, penalties, or interest based upon the payment in this Section. Kenderes acknowledges that he had the option of seeking independent legal advice concerning the taxability of the Settlement Payment, and that he has not relied upon any advice from the School Board or its respective attorneys regarding tax withholding or the ultimate taxability of the Settlement Payment, whether pursuant to federal, state, or local income tax statutes or otherwise. Kenderes acknowledges and agrees that he is solely responsible for paying any attorneys' fees and costs that he has incurred and that neither Kenderes nor his attorney will seek any award of attorneys' fees or costs from the School Board.

Kenderes further acknowledges and agrees that he would not be entitled to receive the Settlement Payment if he did not make the promises that he is making in this Agreement.

2. General Release of Claims by Kenderes. Kenderes, on behalf of himself, his heirs, executors, administrators, and assigns, knowingly and voluntarily waives and releases the

School Board and its parent, affiliates, subsidiaries, divisions, insurers, successors, assigns, and current and former employees, attorneys, officers, directors, administrators, board members, and agents (collectively, the "Released Parties"), from any and all claims, known and unknown, that Kenderes has or may have against the Released Parties as of the date of his execution of this Agreement. This release is comprehensive and includes any claim that Kenderes did or could assert against the Released Parties based upon acts or omissions that occurred, or that could be alleged to have occurred, before Kenderes executes this Agreement. This release is intended to be as comprehensive as can be conceived and the law will allow, and includes, but is not limited to, claims based on: negligent or intentional tortious conduct; express or implied contract; covenants of fair dealing and good faith; wrongful discharge; the Age Discrimination in Employment Act; the Family and Medical Leave Act; Title VII of the Civil Rights Act of 1964; the Civil Rights Act of 1991; Sections 1981 through 1988 of Title 42 of the United States Code; the Equal Pay Act; the Employee Retirement Income Security Act of 1974; the Americans with Disabilities Act of 1990; the Worker Adjustment Retraining and Notification Act; the Ohio Fair Employment Practices Act, R.C. Chapter 4112; any other federal or state common law or federal, state, or local laws, ordinances, or regulations; any other public policy, contract, tort, or common law theory; and any statutory or common law principle allowing for the recovery of fees or other expenses, including claims for attorneys' fees and pre- or post-judgment interest. This release does not apply to any claims that cannot be released as a matter of law, such as those that arise after the date Kenderes executes this Agreement or claims for ERISA plan benefits or administrative charges of discrimination (although Kenderes releases any right to monetary recovery in connection with such a charge).

If any claim is not subject to release, to the extent permitted by law, Kenderes waives any right or ability to be a class or collective action representative or to otherwise participate in any putative or certified class, collective, or multi-party action or proceeding based on such a claim in which the School Board or any other of the Released Parties is a party.

3. Affirmations and Acknowledgements by Kenderes. Kenderes affirms that he has been paid and/or has received all compensation, wages, bonuses, commissions, benefits, and any other monies due and owing to him as a result of his employment with the School Board. Kenderes also affirms that he has been granted any leave to which he was entitled under the Family and Medical Leave Act or related state or local leave or disability accommodation laws.

Kenderes acknowledges and agrees that the School Board denies any liability herein and denies that it acted in any manner whatsoever that is unlawful. Kenderes further represents and warrants that he has no known workplace injuries or occupational diseases.

4. Dismissal with Prejudice of all Claims. Upon his execution of this Agreement, Kenderes agrees to promptly file a voluntary dismissal with prejudice, each party to bear its own costs, in the Lawsuit.

Kenderes affirms that, other than the Lawsuit, he has not filed with any governmental agency or court any type of action against the Released Parties. Kenderes understands and

agrees that if any action is brought by a third party with regard to the claims and causes of action released in this Agreement, he will not accept any payments or monetary relief relating to any such claims or causes of action.

5. Non-Disparagement. Kenderes agrees not to disparage or say or write negative things about the School Board, its officers, directors, agents, or employees and understands this includes electronic communications such as blogs and social media posts or comments. Kenderes understands that the terms in this Section are important parts of the consideration Kenderes is giving to the School Board in this Agreement and for which the School Board is making the Settlement Payment and that it would be very difficult for the School Board to quantify the effect of a breach of this Section's provisions. Accordingly, Kenderes agrees that if he breaches the promises he made in this Section, Kenderes will pay the School Board \$1,000.00 as liquidated damages for said breach. The total amount of Kenderes's liability in damages to the School Board under this section, however, shall not exceed the full amount of the Settlement Payment (\$3,599.00), and Kenderes agrees the School Board may recover any attorney fees associated with securing payment due under this Section irrespective of the \$3,599.00 damage limitation.
6. Interpretation. Should any court declare any provision of this Agreement unenforceable, all other provisions of this Agreement shall not be affected and will remain enforceable. The Parties agree that they have fully negotiated the terms of this Agreement and that its terms, provisions, and conditions shall not be interpreted or construed against any party.
7. No Admission of Wrongdoing. The Parties have entered into this Agreement solely to resolve disputed claims based on disputed facts and allegations and to avoid the costs and risks of litigation. Neither the fact of this Agreement nor any of its parts shall be construed as an admission of wrongdoing, liability, or that any fact or allegation asserted by either Party was true.
8. Amendment. This Agreement may not be modified except through a written document, signed by an authorized representative of each of the Parties, in which the Parties expressly agree to modify it.
9. Entire Agreement. This Agreement sets forth the entire agreement and understanding between the Parties and supersedes any prior oral or written agreements or understandings between them regarding its subject matter. Kenderes acknowledges that he has not relied on any representations, promises, or agreements of any kind made to him in connection with his decision to make this Agreement, except for those set forth in this Agreement. This Agreement may be executed in one or more counterparts, all of which together shall constitute one Agreement, and each of which separately shall constitute an original document.
10. Approval by School Board. This Agreement is contingent on approval by the School Board.

KENDERES UNDERSTANDS THAT ONCE HE SIGNS BELOW, THIS DOCUMENT WILL BECOME A LEGALLY ENFORCEABLE AGREEMENT UNDER WHICH HE WILL BE GIVING UP RIGHTS AND CLAIMS HE MAY HAVE, ON THE TERMS STATED IN THIS AGREEMENT.
