PRESENTATION

Mr. Sluka, Treasurer/CFO, gave the board a summary of the bond rating call with Moody's and Mr. Mike Sudsina, Sudsina and Associates, gave the board on overview on the district's bond refinancing and the potential interest savings of over \$1 million dollars over the life of the bonds which presents a savings to taxpayers.

Mr. Dale Krzynowek, Coordinator of Athletics and Student Activities, gave the Board on overview of his proposed athletic budget and answered questions.

RECOGNITIONS/COMMENDATIONS

SUPERINTENDENT'S REPORT

Thank you, Mr. President. There's a great deal of activity to share with this Board Report and I'd like to give you and the community an important update. First, this week is Practice Evacuation Drill week and each day, Monday through Friday, one school building will practice their respective evacuation routes. These routes and all protocols have been safely planned and communicated with the leadership of Dr. Gordon Dupree, and his team which includes district and building administrators. Since the Garfield Heights City Schools has conducted this exercise for several years in a row, the district expects that all will run smoothly, as it did this morning when Maple Leaf performed their evacuation. Participating in such an exercise allows the buildings to train in the event of an emergency. We thank the City of Garfield Heights and the Garfield Heights Police Department for their help and partnership this week.

Next, the community should know by now that the Boys and Girls Club of Greater Cleveland has established a presence in Garfield Heights Middle School through a pilot program over the summer and will be continuing with an afterschool program this fall. The afterschool program is open for students ages 6 through 14 during the time frame of 2:45 p.m. until 6 p.m. There is a fee that is associated with your household income. Those who are interested should pick up enrollment packages at the Middle School between the hours of 10 a.m. and 5:30 p.m. or downloaded at www.clevelandkids.org. This is a major opportunity for students in the Garfield Heights Community. Students enrolled in the afterschool program will receive homework help, and can participate in sports, art, music, technology and take field trips. Thank you to Dr. Dupree for his continued work with the Boys and Girls Club along with Mayor Collova... and a very special thank you to Judge Deborah Nicastro for her help and leadership in bringing this opportunity to Garfield Heights.

Continuing on, the community will begin to see literature and activity as it relates to the Renewal Levy, Issue 113 in the coming weeks and months. Issue 113 will NOT RAISE TAXES, and renews approximately \$4.1 million dollars of annual funding for the district, which goes towards transportation, building and facility maintenance and educational programming and resources. I have already spoken with city leadership to get their support and feedback from the Mayor has been positive. Please take time to get to know the facts about Issue 113... but the most important thing to know is that it will not raise taxes.

Finally, many in the community may have read about test scores at some point last week. All I can say is that until the State of Ohio and the Ohio Department of Education can maintain a consistent testing protocol, by the same provider with the same methodology, test scores throughout the state will continue to plummet... and that's exactly what happened during the last testing cycle. In three separate years, three different tests have been administered to our students, and consequently, comparing this year's data to the year before is like comparing apples to oranges. I encourage the community to consider all of the positive things that the district is doing to promote education and prepare our students for the future. This list of academic and co-curricular endeavors will be emailed out and posted on our district web site.

Thank you, Mr. President.

ESTIMATED REVENUES

PERMANENT APPROPRIATION

BUDGET MEASURE

FISCAL YEAR 2017

**ESTIMATED REVENUE/
PERMANENT APPROPRIATION (BUDGET) MEASURE
FY 2017**

The Fiscal Year 2017 Estimated Revenue/Permanent Appropriation Measure contains **Estimated Revenue/Resources** and requested/proposed **Permanent Appropriations /Budget Expenditures** for all funds of Garfield Heights City Schools.

Per the Ohio Revised Code, a permanent appropriation measure must be Board approved by September 30 of each fiscal year. Ohio law also prohibits an appropriation amount to be in excess of total available resources (beginning unencumbered balance + estimated revenues).

The permanent appropriation amounts requested for the General Fund are shown at the function level which is the second level of reporting in the Uniform School Accounting System (USAS). This category includes the following:

- Instruction (1000) – Regular, Special, Vocational, Other
- Support Services (2000) – Pupils, Staff, Board, Administration, Fiscal, Business, Operation and Maintenance of Plant, Transportation, Central
- Community Services (3000)
- Extracurricular Activities (4000)
- Facilities Acquisition (5000)
- Debt Service (6000)
- Transfers, Advances, Refunds of Prior Year Receipts (7000)

Also shown are the General Fund budget totals for the third level of reporting which is at the object level:

- Personal Services (100)
- Employee Retirement and Insurance (200)
- Purchased Services (400)
- Materials/ Supplies (500)
- Capital Outlay (600/ 700)
- Debt Service (800)
- Other Expenditures (800)
- Other Financing Sources (900)

All other fund requested appropriations/ budgets are at the fund level which is the first level of reporting as stipulated under Ohio law.

GENERAL FUND

General Fund (001): This is the general operating fund of the district.

Estimated Revenues/Resources

At the end of FY16, the General Fund had a carryover unencumbered/unreserved balance of **\$536,614**. This is not to be confused with the ending cash balance. The unencumbered balance is used for budgetary purposes. Revenue for Fiscal Year 2017 is currently estimated to be **\$42,500,920**. Combined with the unencumbered balance, total estimated resources available to appropriate for the General Fund are estimated to be **\$43,037,534**.

Total Local Revenues includes the following:

Property Taxes (General and Public Utility Tangible Property): These amounts are based on latest financial forecast projections. However, the final valuation amounts will not be known until December 2016.

Other Tax is the amount of property taxes the district receives from City View TIF. This amount is based on the amount received in the prior fiscal year which was drastically reduced due to the City View valuation decrease.

Other Local Revenues (Interest income, Pay to Participate Fees, Tuition, Rental, and Miscellaneous): These amounts are based on the current forecast.

Total State Revenues are:

State Basic Aid amount is based on the funding model as approved in the latest biennial budget by the State Legislature. This includes both our Core and Economic Disadvantage formula amounts. Pupil transportation and special education state reimbursements are also included in this Foundation revenue amount.

Homestead/Rollback is based on a percentage of the real property taxes for qualified residential homeowners only.

Total Other Financing Sources is the return of advances made in the prior year.

Total Revenues are estimated to increase by only 4.3% from Fiscal Year 2016 actual amount received due to the increase in State Foundation funding and a projected decrease in the collection of delinquent taxes.

In breaking down our revenue sources: 38% comes from local sources with the majority being property taxes and 61% comes from the State of Ohio. The remaining 1% is from Other Financing Sources.

Permanent Appropriations/Budget

The proposed appropriations for the General Fund are built on a combination of requested amounts, expected costs in the various areas and anticipated budget needs for the various service areas and buildings. The amount represented in the parenthesis is the percentage of total expenditures.

Salaries and Wages/100 - \$23,225,100 (54.5%) The salary and wage amount shown reflects projected wages. This amount is based on the estimated salaries that will be earned by all employees who currently have contracts for the school year. In addition, the salary/wage amount includes projected estimates for incentives, substitutes, overtime, and any supplemental contracts. Lastly, all termination benefit (severance) payments are reflected here. The requested appropriated Salary and Wages amount is a 2.2% **increase** from FY16 actual.

Employee Retirement and Insurance/200 - \$8,467,150 (19.9%) Included here are the Board's incurred costs for retirement (14% of wages earned) and for Medicare on new employees hired after 1986 (1.45% of wages earned). Health insurance costs are also considered a fringe benefit. Health insurance premiums for medical, prescription, vision and life insurance are estimated to increase 9.63% in the aggregate for family coverage and single coverage. Workers' Compensation, which is based on a percentage of the payroll, is here included as a fringe benefit. The Employee Retirement and Insurance requested appropriation amount is a 6.1% **increase** from FY16 actual.

Purchased Services/400 - \$8,047,000 (18.9%) The purchased service areas are costs incurred by the district for services provided by outside agencies, vendors, sources, etc. Areas where there is expected to be a significant increase are the Special Education Instruction (1200), Other Education (1900), Support Services-Instructional Staff (2200), and Support Services-Operation/Maintenance of Plant/Utilities (2700). Special need student costs and Out of District tuition continues to rise. The requested Purchased Service appropriation is an 4.8% **increase** from FY16 actual expenditures.

Supplies and Materials/500 - \$1,006,740 (2.4%) The administrative team has determined the material and supply needs for their buildings/departments. In addition, the district skipped a year at purchasing new textbooks. The plan is to make up part of that year (science). Therefore, the Supplies and Materials requested appropriation amount is an **increase** of 46% than was actually expended in FY16.

Capital Outlay/600 - \$272,000 (0.6%) This is mainly for technology equipment that needs to be replaced due to outdated operating systems and testing requirements. While a substantial portion of this amount will be ERATED, we will not see this until the next fiscal year. While the requested appropriation amount for Capital Outlay is a 31.5% **decrease** from what was actually expended in FY16, it is significantly higher than the May 2016 forecast amount.

Facilities Acquisition/Debt Service/Lease Purchase - \$365,162 (.9%) This amount represents debt service payments for our two QZABs and the equipment lease purchase approved last year. Therefore, the requested appropriation amount reflects the obligation due this fiscal year.

Other Objects/800 - \$643,300 (1.5%) This amount represents dues and fees for professional organizations, state audit fees, county auditor/treasurer fees, contingencies, liability insurance and election expense. These fees are estimated to decrease especially the election expense this fiscal year. All other areas, including state audit fees, are expected to decrease or remain the same. The requested appropriation amount for Other Objects is a 16% **decrease** from FY16 actual.

Other Financing Uses/900 - \$500,000 (1.2%) includes transfers, advances, and refunds of prior year receipts. Transfers are expected to be needed for various grant funds to supplement their programming and to the athletic fund (300-926A). Any advance-out amount will be offset in the following fiscal year with an advance-in.

The total requested appropriation amount for the General Fund is \$42,526,290. This is a **3.3% increase** over prior year actual expenditures.

Note: The appropriated/budget amount does not mean that the whole amount will be needed. Events do take place during the school year that will not be anticipated. Therefore, revisions/amendments to the appropriated amounts may be necessary. The Board will be fully apprised when that situation occurs.

While revenues are anticipated to increase slightly and program expenditures are projected to increase slightly, the district **will** need to utilize its carryover cash balance from fiscal year 2016. This appropriation measure leaves the district with a minimal year-end balance.

Ohio law mandates that a district cannot appropriate more than total available resources. Total available resources are calculated by adding the beginning unencumbered balance and total estimated revenues.

BOND RETIREMENT FUND

Bond Retirement (002): A fund provided for the retirement of serial bonds and short term loans. All revenue derived from general or special levies, either within or exceeding the ten-mill limitation, which is levied for debt charges on bonds or loans, shall be paid into this fund.

The estimated revenue is the approved bond levy being assessed on the same valuations used for the General Fund. The principal and interest payment amounts appropriated are the amount of debt obligation being incurred by the district this fiscal year. An amortization schedule of annual debt service requirements has been established. The district has five debt issues that are paid from this fund: 2002 Bond Issue, 2006 Refunded Issue, 2012 Refunded Issue, 2015 Refunded Issue and the Energy Conservation Bond Issue.

PERMANENT IMPROVEMENT FUND

Permanent Improvement Fund (003): The Permanent Improvement fund accounts for those monies generated through a separate property tax levy. Proceeds of the fund may be used to acquire, construct, or improve any property or asset with a useful life of five years or more (Chapter 5705.01(E), R.C.).

The appropriation amounts for the Permanent Improvement (PI) funds are limited by the revenue generated from the PI levy. This amount is also estimated using the same property valuations for the General Fund. Also included is the transfer of the remaining unused funds from the OFCC's project closeout of the Classroom Facilities Fund (010). The PI fund shows requested appropriated amounts for building maintenance and improvement projects and technology equipment to be purchased for this school year. Also included here are lease-purchase payments for equipment in the Center for Performing Arts that mature in 2018.

BUILDING FUND

Building Fund (004): Used to record financial transactions related to the construction and/or renovation projects.

The appropriation amount being requested is for the unused remaining funds in case they are needed for a project where funding is needed.

FOOD SERVICE FUND

Food Services Fund (006): Used to record financial transactions related to the food service operation.

The Food Service Fund's requested appropriation is based on estimated wages, retirement and health benefit costs for cafeteria personnel in addition to the estimated food costs for the coming fiscal year. The food costs are based on prior history and projected needs. Estimated revenues are based on prior year food sales with no increase in prices.

EXPENDABLE TRUST

Expendable Trust (007): A fund used to account for assets held by a school system in a trustee capacity or as an agent for individuals, private organizations, and other governmental and/or other funds.

The requested appropriation for these funds are based on each fund's scholarship amounts granted as detailed in the trust agreements. The district is estimated to award the same number of scholarships as in fiscal year 2015.

NONEXPENDABLE TRUST FUNDS

Blaugrund Scholarship Nonexpendable Trust Fund (008): Used for annual scholarship awarded by the district. Nonexpendable infers that only interest can be used and not the principal.

The requested appropriation for this fund is limited to the interest revenue projected to be generated.

UNIFORM SCHOOL SUPPLIES FUND

Uniform School Supplies Fund (009): Accounts for the purchase and resale of school supplies.

Appropriations for these funds are limited to the total estimated/available resources from collection of schools fees for various instructional supply items such as workbooks, art, technology, and any other applicable instructional supply item. The requested appropriation amount is building based. The only building that collects fees is the High School. Due to the high volume of waived fees, this fund will not break even and will need a transfer from the General Fund to avoid a year-end deficit.

CLASSROOM FACILITIES

Classroom Facilities Fund (010): A fund provided to account for monies received and expended in connection with contracts entered into by the school district and the Ohio Department of Education for the building and equipping of classroom facilities.

The requested appropriation for this fund is for the reimbursement to the state for their share of the fund balance and a transfer to Permanent Improvement Fund the district share of the remaining funds.

ROTARY FUND

Internal Services Rotary (014): A fund provided to account for operations that provide goods or services to other governmental units on a cost-reimbursement basis. The use of the fund may be applied to situations where the district acts as fiscal agent for a multi-district program.

The requested appropriation is based on estimated amounts that will be collected and disbursed to offset costs for such purposes as field trips not part of the curriculum.

PUBLIC SCHOOL SUPPORT

Public School Support Fund (018): Accounts for specific revenue sources (profit from vending machines, picture sales, etc) that are restricted to expenditures for specific purposes that could be curricular and extra-curricular related as approved by the Board.

The requested appropriation amounts for these funds are limited to their projected total estimated /available resources.

OTHER LOCAL GRANTS

Other Grant Fund (019): Accounts for specific revenue sources except for state and federal grants that are legally restricted to expenditures for specific purposes.

The requested appropriation amounts are based on estimated intermediate grant amounts projected to be received this fiscal year. The two main grant are the Closing the Achievement Gap and Head Start Preschool Program. Both of these grants are coming from Cuyahoga County.

DISTRICT ROTARY

District Rotary Fund (022): Used to account for those assets held by a school district as an agent for individuals, private organization, other governmental units, and/or other funds. This fund is used to keep track of State Athletic Tournaments held in the district and turned over to the Ohio High School Athletic Association.

The requested appropriation amounts are based on estimated tournament fees to be generated.

EMPLOYEE BENEFITS SELF INSURANCE FUND

Employee Benefits Self-Insurance Fund (024): A fund provided to account for monies received from other funds as payment for providing medical, hospitalization, life, dental, vision, or any other similar employee benefits. The Employee Benefits Self-Insurance Fund may make payments for services provided to employees, for reimbursements to employees who have paid providers, to third party administrators for claim payment or administration, for stop-loss coverage or for any other reinsurance or other similar purposes.

The requested appropriation amount is based on the projected/estimated cost of health insurance to be incurred and paid this fiscal year.

CLASSROOM FACILITIES MAINTENANCE FUND

Classroom Facilities Maintenance Fund (034): A fund used to account for the proceeds of a levy for the maintenance of facilities.

As a requirement from the Ohio School Facility Commission, the district is required to set-a-side a half mill for classroom facilities maintenance. This half mill comes from the Permanent Improvement continuing levy. The appropriation amount is based on the projected/estimated revenue generated from this half mill and anticipated maintenance needs for the upcoming year.

STUDENT MANAGED ACTIVITY

Student Managed Activity Funds (200): Accounts for student activity programs that have student participation in the activity and have students involved in management of the program.

The requested appropriation amounts are limited to their total estimated/available resources from donations and fund raisers as outlined in each club's policy and purpose statements/estimated financial activity. The appropriation amounts are based on past history and projected needs as determined by the advisor. Student Managed activity funds included here are: Honor Society-HS/MS, Art Club, Spanish Club, Community Service and the various Senior Classes.

DISTRICT MANAGED ACTIVITY FUNDS

District Managed Fund (300): Accounts for those student activity programs which have student participation in the activity but do not have students involved in management of the program.

The requested appropriation amounts are limited to their projected total estimated/available resources from their extracurricular activity area. The appropriation amounts are based on past history and projected needs as determined by the coordinator of each of these student activity areas. District Managed activity funds included here are: Youth Drama, Garfield Mirror, Music Express, Vocal Music-HS/MS, Band-HS/MS, Drama-HS/MS, Library, Band-Maple Leaf, Yearbook, Athletics-HS/MS, Track-HS/MS, Dance Line, Cheerleaders-HS/MS, Academic Team, Band Uniforms, GHTV, Volleyball and DAWG Pound Store.

State Grant Funds (400)

AUXILIARY SERVICES

Auxiliary Services Fund (401): Funds used to account for monies which provide services and materials to pupils attending non-public schools within the school district.

The requested appropriations for these funds are limited to the amount of state grant money each non-public school (Trinity and St. Benedict (St. Monica) is estimated to receive this fiscal year. This allocation is based on the number of students enrolled in each of these schools. We are now down to two non-public school in the district as John Paul Academy has closed and we will need to reimburse the state for any unused funds from them.

EARLY CHILDHOOD EDUCATION

Early Childhood Education Fund (439): A fund to assist school districts in paying the cost of preschool programs for three and four year old students.

The budget/appropriation for this fund is based on the salary/benefit amount of the teacher funded by this grant. Since the teacher's salary/benefit is higher than the actual grant amount, the General Fund will need to offset the difference through a transfer.

ONENET CONNECTIVITY

Data Communications Fund (451): Provided to account for money used for the installation and ongoing support of the data communication links connecting the school buildings to the Ohio Educational Computer Network and to the Internet.

The budget/appropriation for this fund is limited to the amount of state grant money estimated to be allocated to the district this fiscal year along with any unused funds carried over from the previous fiscal year(s).

ALTERNATIVE SCHOOLS EDUCATION

Alternative Schools Education Fund (463): A fund used to account for alternative educational programs for existing and new at-risk and delinquent youth. Programs shall be focused on youth in one or more of the following categories: those who have been expelled or suspended, those who have dropped out of school or who are at risk of dropping out of school, those who are habitually truant or disruptive, or those on probation or on parole from a Department of Youth Service facility.

The budget/appropriation for this fund is based on the salary/benefit amount of the teacher funded by this grant. Since the teacher's salary/benefit is higher than the actual grant amount, the General Fund will need to offset the difference through a transfer.

MISCELLANEOUS STATE GRANT FUNDS

Miscellaneous State Grants (499): A fund used to account for various monies received from state agencies which are not classified elsewhere. A separate special cost center must be used for each grant and be approved by the Auditor of State.

The budgets/appropriations for these funds are limited to the amount of any unused funds carried over from the previous fiscal year(s). We do not anticipate receiving any additional miscellaneous state grants this fiscal year.

Federal Grant Funds (500)

IDEA TITLE VI-B

IDEA, Part B, Special Education, Education of Handicapped Children (516): Grants to assist states in providing an appropriate public education to all children with disabilities.

The appropriation for this fund is limited to the amount of federal grant money we have requested and been allocated through the state's CCIP along with any carry over from the previous fiscal year.

TITLE I SCHOOL IMPROVEMENT PART A

Title I, School Improvement Part A (536): To help schools improve the teaching and learning of children failing, or most at risk of failing to meet challenging State academic achievement standards.

The appropriation for this fund is limited to the amount of federal grant money we have requested and been allocated through the state's CCIP along with any carry over from the previous fiscal year.

TITLE I

Title I, Disadvantaged Children/Targeted Assistance (572): To provide financial assistance to State and Local educational agencies to meet the special needs of educationally deprived children. Included are the Even Start and Comprehensive School Reform programs.

The appropriation for this fund is limited to the amount of federal grant money we have requested and been allocated through the state's CCIP along with any carry over from the previous fiscal year.

EARLY CHILDHOOD SPECIAL EDUCATION

IDEA Preschool Grant for the Handicapped (587): To address the improvement and expansion of services for handicapped children ages three (3) through five (5) years.

The appropriation for this fund is limited to the amount of federal grant money we have requested and been allocated through the state's CCIP.

TITLE II-A

Title II-A Improving Teacher Quality (590): A fund used to account for monies to hire additional classroom teachers in grades 1 through 3, so that the number of students per teacher will be reduced.

The appropriation for this fund is limited to the amount of federal grant money we have requested and been allocated through the state's CCIP along with any carry over from the previous fiscal year.

RESOLUTION AMENDING CONTRACT FOR EMPLOYMENT OF SUPERINTENDENT OF SCHOOLS

The Board of Education of the Garfield Heights City School District, Cuyahoga County, Ohio, met in regular session on the ____ day of September, 2016, at the offices of said Board, with the following members present:

The Treasurer advised the Board that the notice requirements of R.C. §121.22 and the implementing rules adopted by the Board pursuant thereto were complied with for the meeting.

_____ moved the adoption of the following Resolution:

RESOLUTION

WHEREAS, the Board had entered into a contract with Terrance S. Olszewski (“Mr. Olszewski”) as its Superintendent of Schools effective August 1, 2013, and ending July 31, 2017, (“Contract”); and

WHEREAS, the Board recently evaluated Mr. Olszewski’s performance during the 2015-2016 school year and determined he satisfactorily performed his duties; and

WHEREAS, Article VIII titled *Annual Base Salary & Benefits* of Mr. Olszewski’s Contract recognizes the Board has discretion to increase Mr. Olszewski’s annual base salary based on satisfactory performance of duties; and

WHEREAS, the Board desires to increase the annual base salary of Mr. Olszewski based upon his satisfactory performance of duties during the 2015-2016 school year.

NOW, THEREFORE, BE IT RESOLVED, by the Board of Education of the Garfield Heights City Schools, County of Cuyahoga, State of Ohio, that:

Section 1: The Board recently evaluated Mr. Olszewski’s performance during the 2015-2016 school year and determined he satisfactorily performed his duties.

Section 2: The Board exercises its discretion under Article VIII titled *Annual Base Salary & Benefits* and resolves to increase Mr. Olszewski’s annual base salary effective August 1, 2016, to One Hundred Fifty Thousand Three Hundred and Six Dollars (\$150,306.00), which reflects a 2% increase.

Section 3: It is found and determined that all formal actions of the Board concerning and relating to the adoption of this Resolution were adopted in an open meeting of the Board, and that

all deliberations of the Board and any of its committees that resulted in such formal action were in meetings in compliance with all legal requirements, including R.C. §121.22.

_____ seconded the motion and upon roll call, the vote was as follows:

CERTIFICATION

I hereby certify that the foregoing is a true, accurate, and correct excerpt from the minutes of the regular meeting of the Board of Education of the Garfield Heights City School District held on the ____ day of September, 2016, showing the adoption of the Resolution hereinabove set forth.

GARFIELD HEIGHTS CITY SCHOOLS
CONDUCTED ELECTRICAL WEAPONS (CEW) (TASERS)
GUIDELINE

I. Purpose

The purpose of this guideline is to provide Garfield Heights City Schools Officer with guidance on how and when to use Conducted Electrical Weapons.

II. General Information

It is the guideline of the Garfield Heights City Schools to use only the level of force necessary to control or subdue violent or potentially violent individuals. Conducted Electrical Weapons are less than lethal weapons that are effective in controlling these individuals.

III. Definitions

Conducted Electrical Weapons (CEW) – a less than lethal device designed and employed to temporarily incapacitate an individual by means of deploying battery powered electrical energy sufficient to cause involuntary muscle contractions and override the subject’s voluntary motor responses. This is accomplished by firing the CEW, which propels two darts at the subject. When the darts make contact with the skin the electrical energy is delivered to the subject via wires that are attached to the CEW and the darts. The CEW can also be used to deliver electrical energy to the body without the use of darts by making direct contact between the CEW and the subject. This is referred to as the “drive stun” mode and affects the subject’s sensory system.

Less Lethal – Not intended to, or likely to cause death.

Passive Resistance – A passively resistant individual is defined as a subject who is not complying with an officers commands and is uncooperative, but is taking only minimal physical action to prevent an officer from placing the subject in custody and taking control. Examples include: standing stationary and not moving upon lawful direction, falling limply and refusing to use their own power to move (becoming “dead weight”), holding onto a fixed object or locking arms to another during a protest or demonstration.

IV. Guidelines

1. Only Officers that have completed and approved training course are authorized to carry or use a CEW. This includes annual re-certification.
2. Officers will only carry a school district CEW in an approved method and holster. Currently, Officers may carry a CEW in a school district issued duty belt holster.
3. The CEW shall be carried weak side using the cross draw method with the safety on.
4. Spark test will be conducted once a week in the school officers’ office. The Officer shall be alone in the office with the door closed while conducting a spark test.
5. Any accidental discharge shall be reported to the Officer’s Supervisor immediately.

V. Deployment

1. The CEW may be deployed against a subject who displays the intent to harm an Officer, themselves or another person and prevents an Officer from placing the subject in custody and taking control. The aggression may manifest itself through a subject taking a fighting stance, punching, kicking, striking, or attacks with weapons which present an imminent threat of physical harm to the Officer or another.

2. The CEW may be deployed, including the drive stun mode, when, considering the totality of the circumstances, the force is objectively reasonable.
3. The CEW should be deployed using the least number of cycles as required to gain control over the subject. When practical, situation should be evaluated between cycles.
4. No more than one Officer shall use a CEW on a person at one time.
5. The CEW and the test arc maybe displayed to attempt to gain compliance with lawful orders when it is objectively reasonable.
6. The CEW may be used on animals when the animal needs to be captured for safety reasons.
7. The CEW should not be used on persons in elevated positions, on pregnant females, persons near bodies of water, persons that appear to be under the age of twelve, the elderly, or persons in wheelchairs. These restrictions do not apply if use of the CEW would reduce the need to escalate to deadly force.
8. The CEW shall not be used against a properly handcuffed person, to gain information from a person, to threaten a person, or for a punitive reason.
9. The CEW shall not be used against a passively resistant subject.
10. That a subject is fleeing should not be the sole justification for use of the CEW. Severity of the offense and other circumstances should be considered before the Officers use the CEW on a fleeing subject.

VI. Post Deployment

1. The Officer shall request the Fire Department, Rescue Squad and School Administrator to the scene.
2. Officer deploying taser or another Officer shall not remove probes. The Fire Department will remove the probes and provide needed medical attention.
3. The spent cartridge including the darts and probes shall be tagged as evidence.
4. The Officer shall include in a written report the circumstances leading up to and the justification for the use of the CEW. The Officer shall include the location on the subject's body that the probes struck or where the subject was stunned if the drive stun mode was used.
5. The School Administrator shall take pictures of locations the darts penetrated the skin.
6. An incident report shall be completed detailing the incident and conclude that the use was within district guidelines or was not within district guidelines.

VII. Effective

This guideline becomes effective upon board approval, which shall be attached to this guideline.
