

April 2017

Hello All!

Welcome back Maple Leaf families and students. We hope everyone had a restful spring break. It is hard to believe we are in the final quarter of this school year.

With that being said, our grades 3, 4, and 5 teachers are working hard at getting our students ready for the upcoming **AIR** assessments. This is crunch time and we need your help at home with talking to your child about staying focused and being serious on test day. We feel with a collaborative effort, we can help our students be successful. If you have any questions about the **AIR** assessments, feel free to contact your child's teacher.

Joseph M. Juby

As we said, April is a busy month with all the testing. In addition, we do have some fun stuff going on as well. **"Muffins with Mom"** and our **"Book Fair"** are the week of April 10th. We are also very excited about the elementary **"Father/Daughter Dance"** being held at the Middle School on April 28th. Detailed information about this event has been sent home with your child.

Progress Reports go home the week of the 11th as well. Teachers will be sending these home for those students who are in danger of failing. Feel free to contact your child's teacher for any questions.

Thank you for being patient as we work through the construction happening on Turney Road. On the bright side, the repaving is long overdue and we will have smooth roads!

With the weather breaking, we will continue to get our students outside for recess. Please make sure they come to school dressed for outdoor activities.

Finally, we have noticed that many students are bringing in their electronic devices to play during indoor recess. We are NOT responsible if devices get broken or stolen. **Cell phones need to be off and away during the school day.** Any devices used inappropriately will be confiscated and the parent notified.

Again, we appreciate all you do.

Sincerely,

Jody Saxton, Principal

Jean Rizi, Assistant Principal
