I would like to extend my thanks to all of our parents who came to Parent Teacher Conferences. We had almost 400 parents come out during the two nights. Please make sure you are logging on to Progress Book and checking grades. We do not send home progress reports with the online grading, parents can access your child's grade at any time. When we return back from the Winter Break the second marking period ends on January 15th. If you have any questions please feel free to e-mail me or call the office.

Thank you for your support during our Fundraiser and Book Fair. The money raised will help fund student activities throughout the year.

This time of year our students are very excited, and some tend to make poor choices. Please talk with your child about the importance of displaying appropriate behavior at school.

With the weather changing, please make sure students are coming to school with the proper clothing. Weather permitting students will be going outdoors for recess.

William Foster is a PEANUT FREE school. Therefore, please do not send any foods with peanuts (ie: peanut butter) to school with your child.

Happy Holiday's and Happy New Year!
