

William Foster Elementary School

Principal Notes:

October 30th, 2017

Happy Fall! Listed in the newsletter there are some important information for the month of November. With the weather changing, please make sure students are coming to school with the proper clothing. Please make sure to label coats, hats and gloves, we had a large collection of items in our lost in found this year. Weather permitting, students will be going outdoors for recess.

Just a reminder to our parents, please do not drop off any students in front of the school on Bangor Avenue. Garfield Heights police will issue tickets since it is a no stopping/parking zone. For students being dropped off, please proceed to the back parking lot, and drop off on the blue line. Students then can enter the school at the back door and go directly to their classroom. The turn-around in the front of the school is for busses only. Please adhere to the morning and afternoon drop off procedures that were sent at the start of the year. Thank you for your help!
