Public Participation

The public is welcome and encouraged to attend all regular Board meetings. Citizens are given an opportunity to address the Board during a meeting. This opportunity occurs during “Remarks from the public” on agenda items and “Remarks from the public” on non-agenda items.

The purpose of these sessions is to provide an opportunity for the public to share their thoughts on any matters of importance to the school district. It is not for the purpose of having questions answered or problems resolved.

If a question can be answered at the time it is posed, it will be. However, more complex matters require sufficient time for study and consideration.

Specific situations will be referred to the administration for investigation and review. If policy action is required, the matter must be scheduled by the Board on a future agenda. In such a case, the person requesting the action will be notified of this meeting date.

Individuals are encouraged to seek information or action from the school principal and/or teacher before bringing a matter before the Board. Contacting the persons directly involved will, in many cases, clear up misunderstandings or bring a desirable result. Matters that cannot be resolved at the building level should be brought to the attention of the Superintendent prior to consideration by the Board of Education.

Concerns may best be handled through proper channels. For example, a problem involving a teacher’s procedures might best be solved by working directly with the teacher or the principal. A problem involving transportation might best be solved working with the bus driver or the transportation supervisor. They may refer you to, or you may want to contact, the Superintendent for further assistance. We appreciate your interest, and we are eager to assist you in resolving your concerns.
