CVCC is working with the associate Districts to develop ideas to assist with the new Middle School CTE 7th and 8th grade mandate. Some potential options include: an 8th grade STEM academy and a mobile robotics classroom. There will be further discussions regarding this mandate at an upcoming meeting with Middle School Principals, Curriculum Directors and Superintendents.

CVCC is re-evaluating its mission and vision statement to possibly include a college connection.

Two assistant principals resigned and the Board approved replacing only one of them.

Will be bringing up issue of reinstating the partnership dollars at our CVCC meeting on Thursday.

Student Activities - June Geraci

All winter sports are up and running. Boys' basketball is off to a great start and is currently ranked in the top 5 in both the city and state. Ice hockey and wrestling are both dealing with a lack of numbers, they would benefit greatly from more participants. The bowlers are having a successful year while relying on a strong team effort and not one individual bowler.

Boys' basketball will be traveling to Dayton this upcoming weekend and will be playing a team from California on January 19.

Hall of fame date is set for Friday, April 17 at Knights of Columbus in Garfield Hts.

No major recent purchases.

PRESENTATION

Dr. Continenza, Director of Curriculum and Instruction presented test data from the 2014 OAA reading and math tests for grades 3-8 supporting that students enrolled in Garfield Heights City Schools since kindergarten scored better on the tests than students who transferred into the school system. In addition the data showed that by third grade only 50% of the students enrolled have been here since kindergarten. By the eighth grade the percentage dropped to 24%. This information will help us strengthen our program to deal with the influx of new students while continuing to support those who have been here since kindergarten.

Mrs. Geraci commented that the info compiled for this report will help sown the road. She also stated that she appreciated the effort it took to compiled this data.

RECOGNITIONS/COMMENDATIONS

SUPERINTENDENT'S REPORT

For this month's report, I want to pay tribute to the Board of Education, as the month of January is designated in the State of Ohio as Board of Education Recognition Month. Quite simply, the Garfield Heights City Schools could not perform its function as a public education institution without the dedication and hard work of the Board. Together, this group helps to set the strategic direction for the district, create and establish policies to ensure success and monitor the overall academic achievement of the Garfield Heights City Schools. The decisions that our five Board members make today, have the power to shape the current and future educational environment for this community. Being a board member is a substantial commitment, because not only do these individuals attend regular board meetings, but they also attend many after school, co-curricular activities.

Perhaps one of the most important roles that the board members play, is in the act of being a liaison with the community. When people have questions or concerns with the Garfield Heights City Schools, our board members are typically among the first to be called. They then work through my office to seek answers or input. Because they are empowered by the people, they are answerable to them as well, and consequently a balanced approach

between policy-maker and public servant is part of the job.... Few words of 'thanks for their service' are ever delivered, and so that's why this occasion is so very important.

- **Mr. Juby**- Thank you for your leadership, running efficient meetings and ensuring public accessibility to the entire Board of Education. As a graduate of the GHCS, you are special to the Board.
- **Mr. Wolske**- Congratulations on being named Vice President once again, and thank you for the dedication you exhibit in attending many co-curricular activities.
- **Mrs. Geraci**- As the madam stateswoman of the Board, thank you for your experience and wisdom.
- **Mr. Dobies**- Thank you for serving in roles as President and Vice President in the past, and helping to bridge the vital link between the school district and the city. You also are a graduate of the district that you now formally serve, which is a special trait.
- **Mrs. Kitson**- Thank you for your dedication to matters of policy, for connecting us with updates and service to the Board of the Cuyahoga Valley Career Center. Your children have graduated from this district and your husband served on the board as well. Thank you for your service.

Together, these individual levels of dedication combine for a quality Board of Education. Thank you for your service to the Garfield Heights Board of Education and also to the community.

RESOLUTION NO. 2015-02

A RESOLUTION DETERMINING TO SUBMIT TO THE ELECTORS OF THE GARFIELD HEIGHTS CITY SCHOOL DISTRICT THE QUESTION OF RENEWING ALL OF TWO EXISTING TAX LEVIES PURSUANT TO SECTIONS 5705.194 TO 5705.197 OF THE REVISED CODE.

WHEREAS, the electors of this District, on May 4, 2010, approved the renewal of a tax levy to raise the amount of \$2,500,000 each year for a period of five years for the purpose of providing for the emergency requirements of this District, the last collection of which will occur in calendar year 2015 (the "2010 Levy"); and

WHEREAS, the electors of this District, on May 3, 2011, approved the renewal of a tax levy to raise the amount of \$2,850,000 each year for a period of five years for the purpose of providing for the emergency requirements of this District, the last collection of which will occur in calendar year 2016 (the "2011 Levy"); and

WHEREAS, this Board has determined that the continuation of the collection of those taxes in the combined amount of \$5,350,000 for ten years, commencing with a levy on the tax list and duplicate for 2015 to be first distributed to the Board in 2016, is necessary for the proper operation of the schools of the District; and

WHEREAS, this Board finds, determines and declares that the 2010 Levy and the 2011 Levy should be combined into a single renewal levy as set forth herein;

NOW, THEREFORE, BE IT RESOLVED by the Board of Education of the Garfield Heights City School District, County of Cuyahoga, State of Ohio, that:

Section 1. This Board finds, determines and declares that the revenue that will be raised by all tax levies that this District is authorized to impose, when combined with state and federal revenues available to this Board, will be insufficient to provide for the emergency requirements of this District, and that it is therefore necessary to levy a tax in excess of the ten-mill limitation (constituting the renewal of two existing tax levies) in order to raise the amount of \$5,350,000 each calendar year for a period of ten years for that purpose.

Section 2. Pursuant to Sections 5705.194 to 5705.197 of the Revised Code, there shall be submitted to the electors of this District at an election to be held on May 5, 2015, the question of renewing all of the aforesaid two existing tax levies in excess of the ten-mill limitation (being the 2010 Levy and the 2011 Levy) for a period of ten years (commencing with a levy on the tax list and duplicate for the year 2015 to be first distributed to the District in calendar year 2016) in order to raise the amount of \$5,350,000 each year for the purpose of providing for the emergency requirements of this District, at the annual tax rate necessary to raise that amount. If the electors approve the question, the two existing tax levies to be renewed shall not be levied after the year preceding the year in which the combination renewal levy is first imposed. In other words, any remaining tax years on either of the two existing levies will not be collected after tax year 2014 (collection year 2015), if the electors approve the question.

Section 3. The Treasurer is directed to certify immediately a copy of this resolution to the County Fiscal Officer of Cuyahoga County and the County Fiscal Officer is requested to certify the School District's total current tax valuation and the calculation of the annual levy, expressed in dollars and cents for each one hundred dollars of valuation, as well as in mills for each one dollar of valuation, throughout the life of the levy which will be required to produce the annual amount of \$5,350,000, assuming that the amount of the tax list of this District remains the same throughout the life of the levy as the amount of the tax list for the current year (or, if that amount is not determined, the estimated amount of that tax list submitted by that County Fiscal Officer to the County Budget Commission).

Section 4. It is hereby found and determined that all formal actions of this Board concerning and relating to the adoption of this resolution were adopted in an open meeting of this Board, and that all deliberations of this Board and of any of its committees that resulted in such formal actions were in meetings open to the public, in compliance with the law.

Section 5. This resolution shall be in full force and effect from and immediately upon its adoption.
