SUPERINTENDENT'S REPORT

BOARD REPORT: January 2016

Thank you Mr. President.

The month of January is traditionally designated in Ohio as Board of Education Recognition Month. As superintendent, The Garfield Heights City Schools could not perform its function of delivering a sound public education to the students of our community without the dedication and hard work of the Board. Together, this group helps to set the strategic direction for the district, create and establish policies to ensure success and monitor the overall academic achievement of the Garfield Heights City Schools. The decisions that our five Board members make today, have the power to shape the current and future educational environment for this community. Being a board member is a substantial commitment.

Perhaps one of the most important roles the board members play, is in the duty of being a liaison with the community. When people have questions or concerns with the Garfield Heights City Schools, our board members are typically among the first to be called. They then work through my office to seek answers or input. Because they are empowered by the people, they are answerable to them as well, and consequently a balanced approach between policy-maker and public servant is part of the job.... At times, this can be a 'thankless' job. Yet at other times, it can be extremely rewarding. Just consider what this Board of Education has been able to accomplish in the last several years.

K-5 Transition: to successfully transform our three elementary buildings into places where students can grow academically for up to six full years, is making a tremendous impact on our students. This was an initiative that took vision, courage and leadership to execute.

Upgrade of our Facilities: This board was instrumental in the pursuit of OSFC funding so that Elmwood, Maple Leaf and William Foster could be dramatically upgraded to improve the learning environment for our students. In addition, prudent actions have permitted the district to upgrade aspects of the Middle School and landscaping throughout the school campuses.

Safety and Security: This Board of Education has maintained a steadfast commitment to the safety and security of the entire district, by adding staff and other resources. In addition, this Board in partnership with the City, was able to bring one of the first Student Resource Officers (or, SRO's) in Northeast Ohio, to our schools.

Purchase of Textbooks and Technology: This Board has also been willing to invest district dollars into text book purchases and technology purchases, so that students have the top-of-the-line resources to learn.

All of these initiatives, as well as others, have been accomplished because of the leadership, vision and trust in the administration that this Board of Education has demonstrated. And now, this Board is in pursuit of another initiative to completely renovate the outdoor athletic complex and transportation facility. Thank you for being a board with the courage to dream big, and with the leadership to support our school district. Together, your level of dedication has made you a quality Board of Education for entire community. Thank you for your service to the Garfield Heights Board of Education and also to the greater City of Garfield Heights.

Board Policy**

**The Provision of FAPE to Children in Juvenile Detention Centers and Community Corrections
Facilities**

The Board of Education is committed to providing a Free Appropriate Public Education ("FAPE") under the Individuals with Disabilities Education Improvement Act ("IDEIA") to children between ages three and twenty-one who are (1) eligible for special education and related services under the IDEIA and (2) whose school district of residence is The Garfield Heights City School District pursuant to OAC 3301-51-01(A)(2)(a). The Board of Education recognizes that the obligation to provide FAPE includes the provision of FAPE to children who are being held or have been court ordered to juvenile detention centers or children who have been committed to community correctional facilities.
