BOARD PRESIDENT'S REPORT

Mr. Juby thanked everyone for coming to the meeting and wished everyone a healthy safe summer. He also wished all the dads, a Happy Father's Day.

COMMITTEE REPORTS:

Cuyahoga Valley Career Center – Christine A. Kitson

As we enter our 44th year, we celebrate our past while looking forward to an exciting future!

- Serving 946 students in 2014, we have the second highest percentage enrollment of 11th and 12th Graders - 22%.
- Serving 25,000 students of all ages in our 8 associate districts through career development activities. Approximately 500 youth participate in summer camps and workshops throughout the year.
- Approximately 3000 adult students each year chose to upgrade their job skills, learn new ones, or benefit from of our numerous personal interest courses.

- The class of 2014 earned 944 college credits upon completion of their high school CTE program.
- 79% of students earn an industry credential.
- 98% are employed, in military or pursuing college degrees one year after graduation.
- 99% of employers surveyed in 2013 would hire another CVCC student with no reservation.

For the first time in 12 years, CVCC is adding on to our building footprint with a 3,200 sq. ft. addition in our Manufacturing Technology lab. This is being done with the use of a \$1.5 million grant award to CVCC, designated to train and certify individuals in the areas of FANUC and Motoman robotic controls, as well as increase exposure of younger students to careers in advanced manufacturing and engineering. The building addition will be called the Robotics & Advanced Manufacturing Technology Education Collaborative (RAMTEC) @ CVCC.

#### Student Activities - June Geraci

- Spring sports are complete. The spring season was highlighted by the softball team advancing to the district semifinals and Malik Hudson of the boys track team representing Garfield Hts. at the state track meet down in Columbus.
- The all sports banquet was held on Wednesday, May 20, at 6:30 pm in the Performing Arts Building. Attendance continued to decline so we have decided to replace the year end all sports banquet with three seasonal sports banquets.
- The Blaugrund Field upgrade has started with cutting, thatching, aerating, leveling with sand, adding topsoil to the middle of the field, and seeding the entire field.
- Major recent purchases include tournament entry fees and championship patches.

Legislative Liaison – Gary Wolske

City Liaison – Robert A. Dobies Sr.

Policy Liaison – Christine A. Kitson & Gary Wolske

Mr. Dobies commented on another wonderful graduation and thanked all the staff involved for their hard work.

## PRESENTATION

### Technology Update - Mrs. Shari Bailey

Shari Bailey, Director of Technology, did a presentation for the Board of Education that covered current and future projects for the department. She highlighted the major projects this year including, an overview of all SchoolDude technology tickets, replacing all old XP computers, further implementing google apps for education, installing new district servers and supporting all district curricular software. She demonstrated the use of an iPad, Apple TV and an App called Doceri. This is what is being installed in classrooms to allow teachers to teach using technology. She reviewed new projects for the 15-16 school year that include:

1. Replacement of old Acer computers that are 5-6 years old.
2. Replace old teacher/staff computers in various buildings that are 5-6 years old.
3. Replacing a failing server backup.
4. Setting up wireless at the High School to support BYOD (Bring Your Own Device).
5. The District Network will be upgraded from 1 GB connections to 10 GB connections.
6. Internet Access to NCC will increase from 150mb to 500mb.
7. 5 Ipads will be purchase for each 1<sup>st</sup> grade classroom.

### Pupil Services Update – Dr. Gordon Dupree

Dr. Dupree gave a picture show of some of the safety and other activities that took place in the school district this past school year. The activities included school evacuations, crisis intervention training through Cornerstone of Hope, ALICE personal safety training for school staff, the Court in the Classroom program at the Middle School, online testing, online registration through InfoSnap, the Boys & Girls Club summer program at the Middle School, and Kindergarten Registration.

### RECOGNITIONS/COMMENDATIONS

Mrs. Joan Chamberlin, Assistant Superintendent/Human Resource Director introduced to the Board the following new hires that were being approved who were in attendance:

Lance Reisland, Head Football Coach  
 Michael Cottingham, Jr. – MS Security  
 Leslie Trantor – MS Assistant Principal  
 John Townsend – HS Assistant Principal  
 Chris Sauer – MS Principal  
 Chris Hanke – Director of Human Resources

### SUPERINTENDENT'S REPORT

Congratulations to the entire school district on the completion of another school year!

Garfield Heights' Commencement took place on Thursday, June 4, 2015 and the ceremony was a fitting celebration of all of the accomplishments of the departing senior class. I want to congratulate the Class of 2015 for earning more than \$4.3 Million in scholarships, which is the largest total of scholarships earned by any class in recent memory. In addition, this class should also be commended for their leadership in co-curricular endeavors as well, including the success on the gridiron where the football team won the NOC Conference championship and made the playoffs... the basketball team, which made the state final four once again this past year... the Academic Challenge team for their successes... the Theater Department for winning several Broadway Awards... and the Music Express group, for earning high honors throughout the year. This class demonstrated an example of all of the great things that can be accomplished by students in the Garfield Heights City Schools.

Thursday, June 4 was also the last day of school for the entire district as well, and I wish each of our students and staff members a relaxing summer. To our students, please continue to read! And, don't forget that the first day of school next year is Monday, August 17, 2015.

## TELEPHONE SERVICES

### Wireless Telephone Expense Reimbursement

Staff members approved by the Superintendent/designee whose primary assignment regularly requires travel or the need to communicate to other buildings for emergency purposes are eligible for a wireless telephone or other communication device allowance or reimbursement.

The District does not endorse any specific wireless telephone carrier, equipment or calling plan. The administration may periodically review market rates to determine the amount of wireless telephone allowance or reimbursement. The amount of allowance or reimbursement is established by the administration and approved by the Board.

Eligible staff members obtain their own wireless telephone, carry it with them while working, use it to conduct necessary business while working and submit a ~~complete~~ copy of their wireless telephone bill ~~monthly with an expense report.~~

### Amount of Allowance or Reimbursement Rate

The amount of wireless telephone allowance paid to participating staff members shall not exceed \$50 per monthly billing cycle and shall not exceed \$25 for part-time staff members. Based on market research and history of usage, this amount is deemed sufficient to pay for monthly access fees, business-related calls and taxes related to those charges. The District shall not reimburse any additional expenses for wireless telephone services, equipment or telephone calls.

### Safety and Security

Loss or theft of equipment must be reported to the vendor service provider immediately to minimize liability for airtime and toll call charges.

Conversations over cellphones are easily monitored, and may be monitored by outside parties. Confidential and sensitive information discussion over cellphones shall not be conducted.

Telephone use while operating a vehicle is prohibited.

(Approval date: August 19, 2013)

(Re-approval date: July 16, 2014)

## TAX ISSUES

The Board examines financial needs in advance of any levy or bond elections. The Board provides the public with information on school building needs and on levy and bond elections. It does not use District funds to promote approval of school-related tax issues.

Tax reduction factors are considered in coordination with the ~~Ssexennial property~~ **Reappraisal and/or the Triennial Update** in affected District counties. In considering a potential tax issue, the Board examines all legal options to obtain additional revenue.

## FAMILY AND MEDICAL LEAVE

### Eligibility

An employee who has worked for the District for at least 12 months and who has worked at least 1,250 hours in the 12 months preceding the beginning of the leave is eligible for leave under the Family and Medical Leave Act (FMLA). The 12 months an employee must have been employed by the District do not need to be consecutive months. The 1,250 hours of service do not include vacation leave, sick leave, holidays or other paid leaves of absences. However, an employee returning from fulfilling his/her Uniformed Services Employment and Reemployment Rights Act (USERRA) covered service obligation shall be credited with the hours of service that would have been performed but for the period of military service in determining whether the employee worked the 1,250 hours of service.

### Leave Entitlement

An eligible employee is allowed to take up to 12 workweeks of leave during a 12-month period. The District has chosen the following method to determine the 12-month period in which the 12 workweeks of leave entitlement occurs:

the 12-month period measured forward from the date any employee's first FMLA leave begins

An employee may be eligible for 26 workweeks of FMLA leave during a single 12-month period to care for a covered servicemember with a serious injury or illness. The District will determine the "single 12-month period" using the 12-month period measured forward from the date an employee's first FMLA leave to care for the covered servicemember begins.

### Types of Leave

An eligible employee may take FMLA leave for the following purposes:

1. birth and care of a newborn child;
2. placement with an employee of a son or daughter for adoption or foster care;

File: GBR-R

3. care for a spouse, child or parent with a serious health condition. An employee may not take FMLA leave to care for a parent-in-law;
4. recovery from a serious health condition that keeps the employee from performing the essential functions of his/her job;
5. to respond to a “qualifying exigency” that arises because a spouse, child or parent is a military member on covered active duty or
6. to care for a covered servicemember with a serious injury or illness if the employee is the spouse, son, daughter, parent or next of kin of the covered servicemember.

The District requires eligible employees to use any accrued and unused paid vacation, personal or sick leave concurrently with unpaid FMLA leave.

An employer cannot compel an employee to use, nor may an employee elect to use, accrued medical/sick leave in any situation for which the leave could not normally be used.

#### Spouses Employed by the District

~~If a husband and wife spouses~~ eligible for leave are both employed by the District, their combined amount of leave for birth, adoption, foster care placement and parental illness may be limited to 12 weeks. ~~If a husband and wife spouses~~ eligible for leave are employed by the District, their combined amount of leave to care for a covered servicemember is limited to 26 weeks.

### Intermittent and Reduced Leave

FMLA leave may be taken intermittently or on a reduced leave schedule under certain circumstances. Intermittent leave is leave taken in separate blocks of time due to a single qualifying reason.

Reduced leave is a leave schedule that reduces the employee's usual number of hours per workweek or hours per workday.

Intermittent or reduced leave is available for the employee's own serious health condition; to care for a parent, spouse, son or daughter with a serious health condition; to care for a covered servicemember's serious injury or illness or for leave taken due to a qualifying exigency. Such leave may be used for the birth or adoption/placement of a child only if the Board agrees.

If an employee needs leave intermittently or on a reduced leave schedule for planned medical treatment, the employee must make a reasonable effort to schedule the treatment so as not to unduly disrupt the employer's operations.

If the employee needs intermittent leave or leave on a reduced schedule that is foreseeable, the Superintendent may require the employee to temporarily transfer during the period that the intermittent or reduced leave schedule is required to an available position for which the employee is qualified and which better accommodates recurring periods of leave than does the employee's regular position.

If an eligible instructional employee (i.e., those whose principal function is to teach and instruct students in a class, a small group or an individual setting) needs intermittent leave or leave on a reduced leave schedule due to foreseeable medical treatments, and the employee would be on leave for more than 20% of the total number of working days over the period the leave would extend, the District may require the employee either to:

1. take leave for a period or periods of a particular duration, not greater than the duration of the planned treatment or
2. transfer temporarily to an available alternative position for which the employee is qualified, which has equivalent pay and benefits and which better accommodates recurring periods of leave than does the employee's regular position.

### Benefits

The Board maintains the employee's health coverage under the group health insurance plan during the period of FMLA leave on the same conditions as coverage would have been provided if the employee had been continuously employed during the entire leave period. Prior to the beginning of the FMLA leave, the employee should make arrangements with the Treasurer to pay the employee's share of health insurance.

File: GBR-R

An employee may, but is not entitled to, accrue any additional benefits or seniority during unpaid FMLA leave. Benefits accrued at the time leave began (e.g., paid vacation, sick or personal leave to the extent not substituted for unpaid FMLA leave), however, must be available to an employee upon return from leave.

The Board is entitled to recover health care premiums paid during the leave if the employee fails to return from leave. Recovery cannot occur if the employee fails to return because of the continuation, recurrence or onset of a serious health condition or due to circumstances beyond the control of the employee.

### Notice

When the FMLA leave is foreseeable, the employee must notify the Superintendent at least 30 days prior to the date when the leave is to begin. If the leave is not foreseeable, the employee must give notice as early as is practical. An employee shall provide at least verbal notice sufficient to make the District aware that the employee needs FMLA-qualifying leave, and the anticipated timing and duration of the leave.

The Board may deny the leave if the employee does not meet the notice requirements.

### Certification

The Board may require the employee to provide a complete and sufficient certification from a health care provider containing specific information if he/she requests a medical leave. If there is a question concerning the validity of such certification, a second and, if necessary, a third opinion can be required, both at the expense of the District.

Upon the employee's return to work from FMLA leave occasioned by the employee's own serious health condition, the Board requires that the employee present a fitness statement from the employee's health care provider certifying that the employee is able to return to work.

### Reinstatement

When the employee returns from the leave, the Board reinstates the employee to the same or an equivalent position with equivalent benefits, pay, terms and conditions of employment. An employee has no greater right to reinstatement or to other benefits and conditions of employment than if the employee had been continuously employed during the FMLA leave period.

### Instructional Employees

Special leave rules apply to instructional employees. Instructional employees are those employees whose principal function is to teach and instruct students in a small group, or in an individual setting. This term includes teachers, athletic coaches, driving instructors and special education assistants such as signers for the hearing impaired. It does not include teacher assistants or aides who do not have as their principal job actual teaching or instructing, nor does it include auxiliary personnel such as counselors, psychologists or curriculum specialists. It also does not include cafeteria workers, maintenance workers or bus drivers.

The following limitations also apply to instructional employees who take leave near the end of a semester for purposes other than the employee's own serious health condition.

1. When an instructional employee begins leave more than five weeks before the end of a semester, the Board may require the employee to continue taking leave until the end of the semester if the leave will last at least three weeks and the employee would return to work during the three-week period before the end of the semester.
2. When an instructional employee begins leave less than five weeks before the end of a semester, the Board may require the employee to continue taking leave until the end of the semester if the leave will last more than two weeks and the employee would return to work during the two-week period before the end of the semester.
3. When an instructional employee begins leave less than three weeks before the end of a semester and the leave lasts more than five working days, the Board may require the employee to continue taking leave until the end of the semester.

In all cases, only the period of leave until the employee is ready and able to return to work shall be charged against the employee's FMLA leave entitlement. Any additional leave required by the Board is not counted as FMLA leave. However, the Board is required to maintain the employee's group health insurance and restore the employee to the same or equivalent job upon the conclusion of the leave.

~~POSTSECONDARY ENROLLMENT OPTIONS~~ COLLEGE CREDIT PLUS

State law provides for student participation in the ~~postsecondary enrollment options~~ **College Credit Plus (PSEOC) (CCP) program** for the purposes of promoting rigorous academic pursuits and exposing students to options beyond the high school classroom. Therefore, eligible ~~9th~~7th through 12th grade students may enroll at any **public college/university and any** participating **nonpublic** college/university on a full- or part-time basis and complete nonsectarian, **nonremedial** courses for **transcripted** high school and/or college credit.

The Board directs the Superintendent/~~designee or his/her designee~~ to develop and establish the necessary administrative guidelines to ensure that the ~~PSEOP~~ **CCP program** is operating in accordance with state requirements.

## ~~POSTSECONDARY ENROLLMENT OPTIONS~~ COLLEGE CREDIT PLUS

### District Obligations

The District is required to notify all 6<sup>8</sup>th through 11<sup>th</sup> grade students and their parents about the ~~postsecondary enrollment options~~ **College Credit Plus (CCP) program through multiple, easily accessible resources** by March 1 of each school year. **The notice includes all information required by State law. The District promotes the CCP program on the District website, including details of current agreements with partnering colleges.**

Students and/or parent(s) are required to inform ~~the principal the high school guidance counselor~~ of intent to participate by ~~March 30~~ **April 1** of the year in which the student wishes to enroll. Failure to inform the ~~principal high school guidance counselor~~ by the ~~March 30~~ **April 1** deadline of intent to participate shall result in the student having to secure written permission from the ~~Superintendent principal~~ in order to participate in the program.

**The District holds an annual informational session to which partnering colleges located within 30 miles of the school (or the closest college if none are located within 30 miles) are invited. The informational session includes information on benefits and consequences of participation in CCP, and outlines any changes or additions to program requirements.**

The District is required to provide counseling services to students prior to their participation in the program. Counseling services include but are not limited to:

1. **program eligibility;**
- ~~1. grade status as locally determined~~
- ~~2. acceptance by college;~~
- ~~3. enrollment options required by State law;~~
- 2.4. **any necessary financial arrangements for tuition, textbooks, materials and fees;**
- ~~3.5. process of granting academic credits;~~
- 4.6. **criteria for any transportation aid;**
- ~~5.7. available support services;~~
- 6.8. **scheduling;**
- 7.9. **consequences of failing or not completing a course, and the effect of the grade attained in the course being included in the student's grade-point average, if applicable;**

- ~~8.10.~~ **consequences of failing or not completing a course under the program, including the effect of program participation on the student's ability to complete District graduation requirements; as well as participation in cocurricular and extracurricular activities;**

### **Student Enrollment**

**To participate in CCP, a student must apply to, and be accepted by, a participating college in accordance with the college's established procedures for admission. The student also must meet the college's established standards for admission and course placement, including any course specific capacity limits. The student and his/her parent also must sign a form acknowledging receipt of the required counseling and understanding of their responsibilities under the program.**

The student may opt to receive college credit only or both college and high school credit. The student must designate his/her choice at the time of enrollment.

If a student completes a college course, the Board shall award him/her appropriate credit toward high school graduation if, at the time of enrollment, he/she elects to receive credit for courses toward fulfilling the graduation requirements.

High school credit awarded for courses successfully completed counts toward graduation requirements and subject area requirements.

1. The Board awards comparable credit for the course/courses completed at the college.
2. If no comparable course is offered, the Board grants an appropriate number of **elective credits. in a comparable area.**
3. Any disputes between the student and the Board regarding high school credits granted for a course may be appealed by the student to the State Board of Education. **The State Board's decision on these matters is final.**
4. The student's records must show evidence of successful completion of each course and the high school credits awarded. **The record must indicate that the credits were earned as a participant in CCP, and include the name of the college at which the credits were earned.**
5. Credits earned ~~under the postsecondary enrollment options program~~ **through CCP** are included in the student's grade-point average. College credits count as the equivalent District grade. - 4.7.** College courses for which ~~five~~ **three-semester hours (7.5 quarter hours)** are earned are awarded one ~~Carnegie-unit credit~~ toward high school graduation credit. Fractional ~~Carnegie units shall be~~ **credits** are awarded proportionally.

### Financial Responsibilities

1. If a student elects to enroll for college credit only (Option A), the student is responsible for all costs associated with the course.
2. If a student elects to enroll for the combination high school/college credit (Option B), the District is responsible for all costs associated with the course **at a public college/university.** ~~Students participating in CCP under Option B at a private college may be charged tuition and/or fees unless they are economically disadvantaged.~~
3. If a student fails to complete the a CCP course ~~due to class drop process or nonattendance,~~ the student or parent(s) ~~are~~ **may be** responsible for all costs associated with the course. **The District may not seek reimbursement from a student who fails a course if he/she is economically disadvantaged, unless the student has been expelled.**
- ~~4. The following process shall be used to collect all course costs.~~
  - ~~A. The District may determine and accept other reasons, including medical reasons, for failure to complete the course.~~
- 4.B.** Students enrolled for the combination of high school/college credit are not eligible for financial aid from the college.
- 5.C.** Upon parental application and determination of need ~~according to the provision of the National School Lunch Act,~~ **an eligible student, as defined by State law,** enrolling for the combination of high school and college credit in the program may receive full or partial reimbursement for the necessary costs of transportation between the secondary school that he/she attends and the college/university in which he/she is enrolled.

~~D. Reimbursement for course costs, transportation costs or District liability will not be made if the student enrolls in a college course while he/she is also a full-time student in the District.~~

Other Considerations

1. A student enrolled in the program follows the District attendance policy, as well as the District code of conduct, for curricular and extracurricular activities. These policies and codes are applicable during the time the student is attending high school and is on school property for any class or activity.
2. If a student is expelled from the District, the Board will deny high school credit for college courses taken during the period of the student's expulsion.

The Superintendent must send written notice of a student's expulsion to the college where the student is taking courses to receive high school credit. The notice must state the date the expulsion is scheduled to expire and whether the Board has denied high school credit for postsecondary education courses taken during the expulsion. If the expulsion period is extended, the Superintendent must notify the college of the extension. **The college may withdraw its acceptance of a student who has been expelled. Unless otherwise authorized by State law, the expelled student is ineligible to enroll in a college under CCP for subsequent college terms during the expulsion period.**

3. The student enrolled in this program must recognize that the master schedule is not altered or adjusted in order to permit enrollment. Adjustments to individual schedules may be made by the school administration.
4. The District adheres to the Ohio High School Athletic Association for eligibility to participate in athletics. In order to be eligible, the student must have passed five courses **that count toward graduation** during the prior grading period. The five courses may be a combination of high school and college courses. **Students also must meet any additional District eligibility requirements.**

## GRADUATION REQUIREMENTS

The Board desires that its standards for graduation meet or exceed the minimum standards of the Ohio Department of Education as well as State law and, further, that our high school compares favorably with other high schools in the state that are recognized for excellence.

The requirements for graduation from high school are as follows.

<u>District Minimum</u>		<u>Statutory Graduation Requirements</u>	
English Language Arts	4 units	English Language Arts	4 units
History and government, including one-half unit of American History and one-half unit of American Government	1 unit	History and government, including one-half unit of American History and one-half unit of American Government	1 unit
Social Studies	2 units	Social Studies	2 units
<b>Science, including one unit each in Physical Science and Biology with inquiry-based lab experience, including one unit each in Physical Science and Life Sciences and one unit in Chemistry, Physics or other physical science, Advanced Biology or other life science, Astronomy, Physical Geology or other earth or space science</b>	3 units	Science, with inquiry-based lab experience, including one unit each in Physical Science and Life Sciences and one unit in Chemistry, Physics or other physical science, Advanced Biology or other life science, Astronomy, Physical Geology or other earth or space science	3 units
<b>Mathematics, including one unit of Algebra II or its equivalent</b>	<b>43 units</b>	Math, including one unit of Algebra II or its equivalent	4 units
Health	½ unit	Health	½ unit
Physical Education	½ unit	Physical Education	½ unit
Electives *	<u>56 units</u>	Electives **	<u>5 units</u>
Total	20 units	Total	20 units

The statutory graduation requirements also include:

1. student electives\*~~z~~ of any one or combination of the following: foreign language, fine arts (must complete two semesters in any of grades 7-12 unless following a career-technical pathway), business, career-technical education, family and consumer sciences, technology, agricultural education or additional English language arts, math, science or social studies courses not otherwise required under the statutory graduation requirements;
2. units earned in social studies shall be integrated with economics and financial literacy and
3. passing all state-required examinations.

### Summer School

Summer school credits are accepted toward graduation, provided that administrative approval has been given prior to registration for the course.

### Educational Options

High school credit is awarded to students who successfully complete Board-approved educational options that count toward the graduation requirements and subject area requirements.

### College Credit Plus and Postsecondary Enrollment Options

Credit is awarded for courses successfully completed at an accredited postsecondary institution. High school credit awarded for a course successfully completed under **College Credit Plus, or where applicable the former Postsecondary Enrollment Options Program**, ~~this section of the Ohio Revised Code~~ counts toward the graduation requirements and subject area requirements of the District. If a course comparable to the course successfully completed is offered by the District, then comparable credit for the completed equivalent course is awarded. If no comparable course is offered, the District grants to the student an appropriate number of credits in a similar subject area.

### Correspondence Courses

High school courses offered through correspondence courses are accepted for credit toward graduation only when they meet the following criteria.

1. Credits earned in correspondence schools directly affiliated with state universities are evaluated by the school administration for students who wish to qualify for graduation from high school.
2. Credits earned from correspondence schools not directly affiliated with an accredited college or university may not be applied toward graduation.

3. Credits earned from schools that have been established primarily for correspondence study, rather than an institution primarily for residence study, are not accepted toward graduation.

### Course Work Prior to Ninth Grade

Student work successfully completed prior to the ninth grade is applied towards graduation credit if the course is taught by a teacher holding a license valid for teaching high school and is designated by the Board as meeting the high school curriculum requirements.

### Physical Education Exemption

A student who, during high school, has participated in interscholastic athletics, marching band or cheerleading for at least two full seasons is not required to complete any physical education courses as a condition to graduate. However, the student is required to complete one-half unit, consisting of at least 60 hours of instruction, in another course of study.

### Junior Reserve Officer Training Corps (JROTC) Exemption

A student who has participated in JROTC for at least two full school years is not required to complete any physical education courses as a condition to graduate. In addition, the academic credit received from participating in JROTC may be used to satisfy the one-half unit of Physical Education and completion of another course is not necessary for graduation.

### Community Service

The District offers community service education, which acquaints students with the history and importance of volunteer service and with a wide range of existing community needs. Community service opportunities may be considered an elective towards graduation.

### Graduation Requirements Opt Out

The District offers students entering the ninth grade on or after July 1, 2010, and before July 1, 2016, the ability to opt out of the graduation requirements in compliance with Board policy and regulations and all procedural requirements stipulated by the school.

Students entering ninth grade on or after July 1, 2010, and before July 1, 2016, may qualify for participation in the graduation requirements Opt Out program. Eligible students may graduate without having completed the requirements for graduation prescribed by State law. Students wishing to participate in this program must have attended high school for two years.

A student wishing to participate and his or her parent(s) or guardian must sign and file written consent to the student's graduating without completion of the requirements for graduation and acknowledgement that one consequence of failure to complete the requirements for graduation is ineligibility to enroll in most state universities in Ohio without further course work.

The minimum requirements for graduation from high school under the Opt Out are as follows.

**\*\*\* Each student's electives shall include at least one unit, or two half units chosen from among the areas of business/technology, fine arts, and/or foreign language.**

The District retains the authority to increase these minimum requirements in compliance with State law. Under State law, the District may stipulate any of the following:

1. a minimum high school curriculum that requires more than 20 units of academic credit to graduate;
2. an exception to the District's minimum high school curriculum that is similar to the graduation requirements Opt Out, but with additional requirements, which may include the requirement that the student successfully complete more than the minimum curriculum listed above or
3. that no exception comparable to the graduation requirements Opt Out is available within the District.

The student and parent/guardian must also agree to fulfill any procedural requirements stipulated by the school to ensure informed consent and facilitate orderly filing of statements required under State law.

Additionally, participation in the program requires the student, the student's parent or guardian and a representative of the student's high school to jointly develop student success plan for the student. The student's success plan must specify that the student will do one of the following:

1. matriculate to a two-year degree program;
2. acquire a business and industry credential or
3. enter an apprenticeship.

The student's high school provides counseling and support for the student related to the student's success plan during the remainder of the student's high school experience.

## TAX ISSUES

The Board examines financial needs in advance of any levy or bond elections. The Board provides the public with information on school building needs and on levy and bond elections. It does not use District funds to promote approval of school-related tax issues.

Tax reduction factors are considered in coordination with the ~~Ssexennial property~~ **Reappraisal and/or the Triennial Update** in affected District counties. In considering a potential tax issue, the Board examines all legal options to obtain additional revenue.
