PRESENTATION

Dale Krzynowek, Coordinator of Student Activities discussed the proposed athletic budget for the 2020-2021 school year. Although the individual expenditures are different from previous years, the amount requested of \$135,000 remains the same. The major changes from previous years are added COVID expenses and loss of revenue due to the CCBOH attendance mandates. These shortcomings will be made up through the elimination of professional development and decreased event staff.

Tammy Hager presented to the school board about two high school programs, the Band, and Music Express. She mentioned awards the programs have won such as the four grand champion awards Express has won in the past four years and the wonderful job our band students do at solo and ensemble competition by receiving ratings of Superior and Outstanding. She thanked the board for the support they have always provided for each program. She presented the current needs of each program and requested the board consider funding the requests.

Mr. Patton gave an overview on the presentation to the policy committee by Board Docs.

Mr. Hanke gave an overview on the back to school plan. Students will be returning to school on November 9, 2020 in a hybrid model. Before November 9th, students will have an opportunity to be phased in.

Moved by Ms. King, seconded by Ms. Thomas to adjourn at 7:13 P.M.
