BOARD PRESIDENT'S REPORT

Good evening, welcome to tonight's Board meeting. My report is very brief, as I would like to wish everyone a very happy Holiday Season.

COMMITTEE REPORTS:

Cuyahoga Valley Career Center – Christine A. Kitson

Mrs. Kitson reported that 43 students from Garfield Heights had perfect attendance. Our 8th grade students took an exploration visit to the CVCC on November 28th. Please see attached News Flash and Student Connection where one of our students Lila Jackson is being highlighted for digital design.

Student Activities - Gary Wolske

Winter season has started for all of our winter sports. Boys basketball is currently ranked #1 in the Cleveland area and off to a 4-0 start. Our wrestling team is 2-0 and recently placed 3rd out of 12 teams at their most recent tournament. Our boys basketball team recently played at Benedictine where freshmen Meechie Johnson scored 50 points. More importantly, both an official and the Benedictine AD sent out emails complementing the behavior of our athletes, and fans.

Major recent purchases include new varsity softball uniforms, bowling tournament fees, wrestling weight certification, football end of season laundry services, bowling polo shirts, and fall sports banquet supplies

Legislative Liaison – Gary Wolske
City Liaison – Robert A. Dobies Sr.

Mr. Dobies wished everyone a Merry Christmas and Happy New Year and to enjoy family and friends.

Policy Liaison – Christine A. Kitson & Gary Wolske

RECOGNITIONS/COMMENDATIONS

SUPERINTENDENT’S REPORT

Thank you, Mr. President. The Garfield Heights City Schools has been very involved from a community outreach standpoint. As you may have noted in the Neighborhood News, the Courtroom in the Classroom program came to Garfield Heights Middle School to give our eighth-grade students an opportunity to see what it would be like to be a judge, prosecuting or defense attorney. We thank Judge Steven Gall for his mentorship with this program, and for positively encouraging the students to seek careers in the justice field someday. Without question, after talking with some of our students who participated in the program, some of our eighth graders were inspired.

In other news, and as the Board knows, The Garfield Heights City Schools has created a meaningful partnership with Jennings Hall. This has included some of the following opportunities that they have given to our students:

- Invited our HS forensics class to listen to a college professor talk about crime in the 1920s and 1930s in Cleveland History.
- Invited our Students of Promise to listen to a “distance-learning” speaker discuss race relations in our nation’s history.
- Invited our Jazz Band to participate in a speaker about Duke Ellington.
- Invited our students from AP Government to engage in a discussion with a professor on the US Justice System.
- Twice, our Maple Leaf and Elmwood Elementary Students have played a key role in the annual Veteran’s Day program at Jennings Hall.
- Each of our elementary buildings have participated in a drama and acting program during the springtime to learn the plays Wizard of Oz, Peter Pan and Cinderella.

Each of these invitations has combined our Garfield Heights Students with the opportunity to meaningfully interact with our senior citizen population. It's a win-win situation for everyone involved. The GHCS are VERY grateful to Jennings. And, so is Jennings grateful to the schools. To demonstrate their gratitude for the partnership that we have forged, Jennings Hall's leadership asked the schools to partner in a video production for THEIR ORGANIZATION that they will use as a marketing tool to attract more residents to their facility. So, over the summer, I taped an interview that they have actually placed into this video that I would like for you to see right now... to demonstrate, in part, the importance of the relationship Jennings Hall has with the Garfield Heights City Schools.

As you can see, the Garfield Heights City Schools is all about opportunities... and we greatly value what we've created with Jennings Hall. Thank you, Board, for your continued support. Merry Christmas, Happy New Year to all.... And as always.... GO BULLDOGS!

The Student Connection

With: Lela Jackson

From: Garfield Heights High School

Lela Jackson, from Garfield Heights, is a senior in Mrs. Munro's Digital Design program. Lela has always been interested in art and wanted to expand on that by learning digital techniques, illustrator, and Photoshop. The Digital Design program is a perfect fit for Lela to grow her love of art. Her favorite part about her program is working on projects and being able to show her creativity. One of Lela's more recent projects was to design a potential cover for Garfield Heights's 2018-2019 Course Catalog. Her design was selected and is to be featured on next year's catalogs, what an awesome accomplishment! It is challenging at times to reign in her own personal creativity to coincide with project guidelines; however, Lela is always up for the task! Lela loves the diversity that CVCC offers; there are different experiences to obtain around every corner and so much knowledge that surrounds students! Lela is amazed and thankful for the opportunities that CVCC has provided.

Lela is also involved with SkillsUSA, a partnership of students, teachers and industry working together to ensure our country has a skilled workforce. With the encouragement of teacher Mrs. Jakubczak, Lela ran for and got elected as Secretary of the North Center Regional Officers that represent CVCC. Lela, along with the other Regional Officers will attend a weeklong leadership training in Washington DC this coming January. While at this leadership training, they will speak with US Legislators and take part in a wreath laying ceremony at the Tomb of the Unknown Soldier in Arlington National Cemetery. What a wonderful accomplishment and opportunity!

Aside for schoolwork, Lela spends her time working at a local grocery store, drawing, listening to music, and immersing in the world of YouTube. In terms of her future, Lela hopes to get a job in her field, however is planning on attending Tri-C for a couple years to expand her education and then transfer to a four year college to complete her degree. Lela's dream job would be to become an animator or interior designer. What awesome goals, best of luck in all that you do!
