Summer Assignment
 "How Government Affects Me"

Assignment: Over the summer, please walk around the community and give examples of the government all around you. (Parks, police, schools, fire department, court houses, etc.) Visit at least 3 places, take a selfie in front of the destination, and research and write a paragraph or 2 about how the government is involved in each place.

Example: This is a picture selfie at the park, police, school, fire department, etc. This place is responsible for _____ and does _____, etc..... The Government is involved by _____, etc...

(Please note, you are permitted to take group selfies; however, EACH student must complete the paragraph on their own. A proper paragraph consists of 8-10 sentences. Selfies may be emailed to me at khagan.iezzi@ghbulldogs.org OR you may SHOW ME once we return to school. It's not necessary to print them out.)

Due Date: Due by the 2nd day of school, August 15th, 2018

Academic Integrity is essential to this course. All written work **MUST BE YOUR OWN**.

+++++Please email me with any questions or concerns over the summer. If you are unsure whether you will be scheduled for the A.P. class, it is in your best interest to complete the assignment just in case! Completing the assignment **DOES NOT** guarantee that you are scheduled for the class.

Have a great summer! I'll start sending reminds in August!
