Terrance S. Olszewski
Superintendent of Schools

I am happy to welcome you to the 2017-18 school year! It is important for us to keep open lines of communication between home and school. This is accomplished by communicating with your child's teacher, attending school functions and assisting your child in understanding the importance of education and cooperation. Every month we will be sending home a monthly newsletter, attached on the other side is a calendar of events. This information will be put on color paper so parents will know it is coming from the office. Please continue to check student's folders and backpacks on a daily. Listed below is some important info for the upcoming weeks. We look forward to seeing everyone at our Open House in the next few weeks.
