

William Foster Elementary School

Principal Notes:

December 1, 2017

This time of year our students are very excited, and some tend to make poor choices. Please talk with your child about the importance of displaying appropriate behavior at school. With the weather changing, please make sure students are coming to school with the proper clothing. Weather permitting students will be going outdoors for recess.

Terrance S. Olszewski
Superintendent of Schools

I would like to extend my thanks to all of our parents and families for your continued support with all of outside activities at William Foster. We could not do the great things we do without all of your efforts!!
